The brains of the bunch, Giana can scheme her mouseketeers out of any misadventure and well out of Paolo's reach.

GIANA

ROBERTO

Shy and quiet as a mouse, Roberto is a true turophile — gaga for Gouda and always ready to raise a stink.

LUIGI

The perpetual class clown, Luigi is a brazen, but stalwart companion. He drags his pals into many a game of hide and squeak.

ROBERTO'S GRATE CHEESE JOKES

(Because it's Gouda Brie a good day)

What do cheesemongers dance to on Halloween? The Muenster mash!

What do you call cheese that isn't yours? Nacho cheese!

What does cheese say to itself in the mirror? Looking Gouda!

When should you keep an eye on your cheese? When it's up to no Gouda!

How can you make a mouse smile? Say cheese!

What do you call a dinosaur made of cheese? Gorgonzilla!

Why aren't there a lot of movies about swiss cheese? The plot has too many holes.

(Help Roberto find the wheel of cheese & collect his friends and snacks along the way)
